**ECONOMY: LESS GOV'T SPENDING, MORE DOMESTIC OIL**

Biden Administration's massive spending and restrictions on domestic oil production have caused record inflation and record-high gas prices.

**SOFT-ON-CRIME POLICIES ARE CAUSING RECORD CRIME**

Soft-on-crime policies, such as reduced sentences, elimination of cash bail, and early release, have fueled a record surge in crime.

**DEFUND THE POLICE**

Funds should be redirected from police departments to mental health and community programs.

**SELF-DEFENSE: GUN RIGHTS**

It is dangerous to empower a government agency to disarm law-abiding citizens ("Red Flag Laws"). Disarming a citizen without due process is unconstitutional.

**STUDENT LOAN FORGIVENESS**

Taxpayers should pay back loans of college students.

**IN-STATE TUITION FOR ILLEGAL IMMIGRANTS**

Allow illegal immigrants to qualify for in-state tuition after 3 years, giving priority over military members (who are required to wait 5 years).

**ELECTIONS: INCREASE SECURITY MEASURES**

Eliminate unmonitored ballot drop boxes and private funding of election activities by activists. Require voter ID for absentee voting.

**LATE-TERM ABORTION & TAXPAYER FUNDING**

Taxpayers should pay for abortions. Allow abortion after the baby can survive outside the womb (including up to the moment before birth), based on broad factors related to the mother's well-being.

**BORN ALIVE (ABORTION SURVIVOR PROTECTION)**

Require life-saving medical care for infants born alive after failed abortions.

**PARENTS' RIGHTS: REMOVE POLITICS FROM THE CLASSROOM**

Parents have a right to know what children are being taught and to opt out of instruction that contains political ideology, gender ideology, sexual content, etc.

**PARENTS' RIGHTS: SCHOOL CHOICE**

Children should not be forced to stay in underperforming schools. Empower parents to choose the school that is the best fit.

**SCHOOLS: BAN CRITICAL RACE THEORY**

CRT, based in Marxism, rejects God, family, and equality. It pits race against race, promotes division, and reverses decades of Civil Rights progress.

**IMMIGRATION: BORDER POLICY HAS CAUSED A CRISIS**

The Biden Administration's open-border policy has created a national security crisis and has allowed a surge in violent crime. Secure the border.

**BIOLOGICAL MALES IN FEMALE SPORTS**

Biological males who identify as females are entitled to compete in women's sports and share in private spaces, such as women's shelters and locker rooms.
