BALLOT QUESTION #1: "ELIGIBILITY TO VOTE"

"Shall section 1 of article III of the Constitution, which deals with suffrage [voting], be amended to provide that only a United States citizen age 18 or older who resides in an election district may vote in an election for national, state, or local office or at a statewide or local referendum?"

Vote YES if you agree that only qualified US citizens should be allowed to vote. Vote NO if you think illegal immigrants and non citizens should vote.

CUT SPENDING TO FIGHT INFLATION

Massive government spending has contributed to inflation, negatively impacting the economy.

UNREGULATED IMMIGRATION

Open border policies improve the economy and give safety, healthcare, educational, and employment opportunities to people seeking a better life.

BAN SANCTUARY CITIES FOR ILLEGAL IMMIGRANTS

We must ensure that state and local law enforcement cooperate with federal officials to protect our communities from violent criminals and suspected terrorists who are illegally present in the United States.

LATE-TERM ABORTION

Women have a fundamental right to abort their babies until late into pregnancy.

AMERICAN ENERGY INDEPENDENCE

Domestically producing more oil, using cleaner technologies can fulfill our energy needs while safeguarding the environment, preserving jobs, and bolstering the economy.

PARENTS' RIGHTS OVER KIDS

Parents have the fundamental right to decide the care, custody, and control of their children.

NO TAXPAYER FUNDED PARENTAL ALIENATION

Taxpayers should not pay for programs that encourage minors to join organizations and wear gender-affirming clothing without parental notification.

RIGHT TO OWN A GUN

"First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all people, for kings and all who are in high positions, that we may lead a peaceful and quiet life, godly and dignified in every way. This is good, and it is pleasing in the sight of God our Savior."
