

PASSING THE LEADERSHIP BATON: PRAYERS FOR A NATION IN TRANSITION

To Our Cherished Supporters,

We want to extend our deepest gratitude for your incredible support during this season. Your prayers, encouragement, and generous donations played a pivotal role in the success of the 2024 election. In a time of such uncertainty and challenge, knowing that we had a community of committed individuals like you standing alongside us made all the difference. The power of prayer has been evident at every step of this journey, and your faith has helped sustain us through it all.

As we now enter a critical time of transition, we ask that you continue to stand with us in prayer. The days ahead will require wisdom, unity, and divine guidance as we prepare for a new chapter in our nation's leadership. We request your prayers for a smooth and peaceful transition for the incoming President, Vice President, Cabinet, and Congress. We trust that God's plan will unfold in His perfect timing. Thank you once again for your steadfast commitment to our work. Let us remain united in faith as our nation steps into this new era of leadership.

Sincerely,

Million Voices Team

WHERE DO WE GO FROM HERE?

Polling stations have closed across America for the 2024 Presidential Election, but our work is far from over. As Christians, we now step into a new role—supporting a peaceful transition of power and passing the baton to a new President, Vice President, Cabinet, and Congress. This is a decisive moment of unity, fueled by faith and hope for our nation's healing.

In this moment of historical and monumental change, prayer is our greatest strength. We must take this time to pray for a peaceful, seamless handover, asking for wisdom, guidance, and ethical leadership from one administration to another. May a powerful wave of hope and conviction resonate from the halls of heaven down to the White House and through the Halls of Congress. If we speak life and truth through Jesus over our government, positive transformation is not only possible but certain.

In 1775, the Continental Congress called on the colonies to join in prayer, seeking divine wisdom as they faced the immense responsibility and opportunity of founding a new nation. Then, in 1787, as the leaders of that young nation gathered to draft the Constitution, Benjamin Franklin urged the framers to pray for guidance, famously declaring: “The longer I live, the more convincing proofs I see of this truth: that God governs in the affairs of men.”

Our voices, united in prayer, have the power to inspire, to guide, and to bring about miraculous changes. Join Million Voice in this effort and be part of a movement of peacemakers that create a real and lasting impact. Let's use the spiritual power granted to us by God to promote unity, peace, and stability in a country that so greatly needs it.

A PRAYER FOR AMERICA BY BILLY GRAHAM

"Our Father and Our God,

We praise You for Your goodness to our nation, giving us blessings far beyond what we deserve.

Yet we know all is not right with America. We deeply need a moral and spiritual renewal to help us meet the many problems we face.

Convict us of sin. Help us to turn to You in repentance and faith. Set our feet on the path of Your righteousness and peace.

We pray today for our nation's leaders. Give them the wisdom to know what is right, and the courage to do it.

You have said, “Blessed is the nation whose God is the Lord.”
May this be a new era for America, as we humble ourselves
and acknowledge You alone as our Savior and Lord.

This we pray in Your holy name, Amen.

- Billy Graham”

LISTEN TO GOD AND SEEK INSTRUCTION

Our elected officials have an extraordinary opportunity to lean into God's wisdom to navigate complex issues with integrity and compassion. Pray they listen to Him and seek His instruction throughout the Presidential transfer of power and in their work ahead. James 1:5 reminds us, "If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you." This promise assures us that when leaders seek God's guidance sincerely, He will give them the understanding they need to make just and righteous decisions. By placing God at the center of their leadership, our officials can inspire a more unified, purposeful nation uplifted by decisions rooted in divine wisdom.

JAMES 1:5

BIBLE VERSE

The call to seek guidance from God is crucial, especially for our elected officials entrusted with the responsibility of governing. Proverbs 3:5-6 says, “Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight.” This is a powerful reminder that true wisdom and effective leadership come from listening to God and allowing His guidance to shape decisions. Pray that our leadership in Washington will turn to Him, setting aside personal agendas or pride and opening the door to divine insight that benefits their journey and the entire nation they serve.

Heavenly Father, we lift up our elected officials to You, asking that they seek Your wisdom and guidance in all they do, especially during this time of transition. May they turn to You with open hearts, leaning not on their own understanding but trusting fully in Your perfect direction. Lord, give them the humility to set aside personal agendas and listen to Your voice, allowing Your instruction to shape their decisions with integrity and compassion. Help them to govern with justice, wisdom, and unity, inspiring a nation that looks to You as our ultimate guide. We trust in Your promise, knowing that when they seek Your wisdom, You will generously provide. In Jesus' name, we pray, Amen.

BE QUICK TO HEAR, SLOW TO SPEAK, SLOW TO ANGER

Elected officials have the immense responsibility of representing the voices of the people, and in doing so, they can embody the wisdom found in James 1:19: “Everyone should be quick to listen, slow to speak, and slow to anger.” Leaders who listen carefully gain insight that might otherwise be missed and can act with empathy rather than impulse. This kind of patience fosters trust, showing that they value the voices of others and are committed to making decisions based on a balanced perspective.

Proverbs 17:27 says, “A truly wise person uses few words; a person with understanding is even-tempered.” This verse highlights the power of restraint and thoughtfulness, traits that are invaluable for those in public service. When leaders are slow to speak and deliberate in their words, they create space for clearer, more constructive dialogue. Similarly, staying calm and resisting the pull of anger or reactive responses can inspire those around them to engage in

peaceful, solution-oriented discussions. Even-tempered and controlled leaders model a leadership style that can heal divisions, promote understanding, and lead to more impactful and lasting decisions.

Pray that President Trump and his transition team lead with a spirit of peace and unity, embracing a commitment to finding common ground and fostering understanding with President Biden and his team. This moment of transition holds the potential to set a tone of mutual respect and cooperation that can uplift our nation. When leaders focus on unity rather than division, they pave the way for a smoother, more effective transfer of responsibilities and vision. May God grant them the wisdom and grace to work together harmoniously, putting the country's well-being first and embracing a spirit of collaboration that inspires healing, trust, and hope for all Americans.

Lord, we pray for our leaders to be quick to hear, slow to speak, and slow to anger. Fill them with Your wisdom, helping them to listen with patience and compassion, to communicate with thoughtfulness, and to lead with calm, steady hearts. May they resist the pull of division and instead model unity, creating spaces for understanding and cooperation that inspire all around them. As they serve, help them to make decisions with grace and discernment, reflecting Your love and truth in all they do. Lord, grant them the strength to lead in a way that heals divisions, brings peace, and moves our nation forward in harmony. In Jesus' name, Amen.

TAKE EVERYTHING TO GOD IN PRAYER

In this critical time for our country, we pray that President Trump, President Biden, their teams, and every member of Congress would take every matter to God in prayer. “Don’t worry about anything; instead, pray about everything. Tell God what you need, and thank him for all he has done” (Philippians 4:6-7). We ask God to help our leaders trust Him with their worries and uncertainties, to seek His guidance before making decisions, and to remember the strength that comes from turning to Him. By bringing their concerns and plans to God, they can find wisdom beyond their understanding, grounded in a peace that comes only from Him. No problem or task is too big for God, and through prayer, they can carry out their roles with confidence and humility.

We also pray that as these leaders seek God’s direction, they experience His peace, which “exceeds anything we can understand.” In moments of tension or disagreement, may

they find calmness in God's presence, knowing He is with them every step of the way. This peace has the power to guard their hearts and minds from fear, pride, or division, empowering them to serve with clarity, integrity, and compassion. When our leaders turn to prayer, they open themselves to God's influence, creating opportunities for unity and cooperation that can inspire and guide our nation. As they look to God for wisdom, we pray they remain grounded in faith, carrying out their responsibilities with love, grace, and an unwavering commitment to the common good.

Heavenly Father, we come before You with humble hearts, asking for Your guidance and peace upon our nation's leaders. Please impress upon President Trump, President Biden, their teams, and all members of Congress to pray over every decision they make. Lord, fill them with a spirit of humility and understanding, helping them work together with respect and unity for the good of all. Let Your peace, which surpasses all understanding, guard their hearts and minds, enabling them to lead with clarity, compassion, and strength. May they turn to You for comfort, wisdom, and courage to lead with integrity. In Jesus' name, we pray, Amen.

LET THE LIGHT OF CHRIST JESUS SHINE THROUGH

The leadership of the United States—outgoing and incoming—is afforded the chance, during this transition, to reflect the light of Christ. As they navigate the challenges of governance, we pray that they allow the love, wisdom, and guidance of Jesus to shine through them in every decision they make. Let their actions, words, and attitudes be a testament to the power of God’s grace, bringing BOTH Presidents, their teams, and members of their cabinets into alignment with God. By walking in the light of Christ, they can set an example of integrity and compassion, ensuring that their leadership serves the common good and honors the principles of fairness and respect for all people.

Proverbs 16:7 reminds us, “When people’s lives please the Lord, even their enemies are at peace with them.” There is a transformative power in a life aligned with God’s will. If our leaders allow the light of Jesus to shine through them, they will be empowered to foster peace, even in the most

challenging circumstances. Their commitment to walking in God's ways can bring about a spirit of cooperation and reconciliation, enabling them to bridge divides and make decisions that reflect His will.

Father God, we ask for Your guidance and wisdom to be poured out upon our leaders. We lift up President Trump, President Biden, their cabinets, and the new 119th Congress, praying that Your light would shine through them in all they do. May they seek Your will in every decision, showing integrity, compassion, and unity in their leadership. Grant them the strength to walk in Your ways, allowing Your peace and wisdom to guide their paths. Let their hearts be open to Your direction, and may their lives reflect the love and truth of Christ. In Jesus' name, we pray, Amen.

HAVE GOOD CHARACTER AND A PURE HEART

For true greatness to be realized, leaders must exemplify godliness, as Proverbs 14:34 reminds us, “Godliness makes a nation great, but sin is a disgrace to any people.” Our governmental leadership plays a pivotal role in shaping the direction and moral fabric of our nation. Leaders with good character and a pure heart have the ability to lead with integrity. When they place their faith in God and lead according to His principles, they inspire the nation to strive for righteousness and peace. Through godly leadership, we witness the flourishing of a society rooted in truth, fairness, and respect for all individuals.

A pure heart, grounded in godly values, is essential for leaders who seek to guide with wisdom and humility. Leadership marked by honesty, kindness, and moral clarity builds trust with the people and promotes unity within the nation. As we pray for our leaders, we ask that they cultivate

hearts aligned with God's will—hearts that reflect His love, truth, and righteousness. When leadership is anchored in good character and purity, the entire nation benefits, experiencing a foundation of peace and prosperity. May our leaders rise to the call of godliness, making decisions that honor God and bring about lasting positive change for the future.

Our Heavenly Father, we lift up our nation's leaders to You, asking that You instill in them a heart of integrity and godliness. May they lead with purity of heart and a desire to honor You in all they do. We pray that they seek Your wisdom, walk in righteousness, and make decisions that reflect Your truth and love. Lord, we know that godliness makes a nation great, so we ask that our leaders model the character and moral clarity needed to guide our country toward unity, peace, and prosperity. Fill them with Your strength and grace so that their leadership may inspire a nation to follow Your ways. In Jesus' name, Amen.

HAVE A HEART OF GRATITUDE FOR OPPORTUNITIES GIVEN

Our leadership must adopt a heart of gratitude to God for the opportunity to serve this great nation. Romans 8:28 reminds us that “God causes everything to work together for the good of those who love God and are called according to his purpose for them.” We are reassured that when leaders seek God and align their actions with His will, even the challenges they face can be used for the greater good. In moments of difficulty or uncertainty, we pray that our leaders recognize the privilege of their position and give thanks to God, trusting that His hand is guiding them toward His divine purpose for the nation.

May our elected officials continually acknowledge God’s sovereignty over their leadership, knowing He has placed them in this role for a purpose. With thankful hearts, may they seek to honor God through their decisions, knowing they can make a lasting, positive impact on the nation. In times of triumph and struggle alike, we pray they remain humble,

ROMANS 8:28

recognizing their ability to lead is a gift from God and that His wisdom and strength are essential for guiding our country forward. May their gratitude to God inspire them to lead with a heart that seeks to fulfill His purpose for the good of all Americans.

Heavenly Father, we thank You for the opportunity You've given to our nation's leaders to serve. We ask that You fill their hearts with gratitude for the responsibility they carry and the trust placed in them. May they seek Your wisdom in every decision, knowing that You are working all things together for the good of those who love You. Help them to lead with integrity, humility, and a deep sense of purpose, always remembering that their leadership is a gift from You. Guide them to fulfill Your plans for this great country and inspire them to serve with grace and compassion. In Jesus' name, Amen.

NOT BECOME WEARY OF DOING GOOD

As the Christian remnant of this great nation, we must uplift President Trump and the 119th Congress in prayer as they pick up the mantle of leadership and responsibility, asking God to strengthen and encourage them as they navigate the road ahead. The Apostle Paul reminds us in Galatians 6:9, “And let us not grow weary of doing good, for in due season we will reap, if we do not give up.” In the face of challenges, opposition, and the pressure to compromise, our leaders must be steadfast in their commitment to doing good. We ask God to renew their strength, grant them perseverance, and remind them of the greater purpose they are called to fulfill. May they not lose heart in doing what is right, even when the road seems difficult, or the results are slow.

Our leaders are human, and the burdens they bear can sometimes lead to weariness or discouragement. We pray that they find encouragement in the promises of God and

draw strength from the knowledge that their efforts are not in vain. May they be reminded that in due season, the good they do will bear fruit—not just for today but for future generations. Let their hearts remain focused on the greater good, persevering in integrity and service to the people. May they continue to lead with wisdom, courage, and compassion, knowing God is with them every step of the way.

Lord, we lift up President Trump and Congress to You, asking that You strengthen each one of them and help them not grow weary in doing good. In moments of difficulty and discouragement, remind them of Your promise that in due season, they will reap the rewards of their labor if they do not give up. Grant them perseverance, wisdom, and renewed energy to continue serving with integrity and compassion. Help them to stay focused on the greater purpose You have set before them, and may their efforts bear fruit for the good of our nation. We trust that You are with them, guiding and sustaining them every step of the way. In Jesus' name, Amen.

PERSEVERANCE DURING TESTING AND TEMPTATION

In times of challenge and uncertainty, our governmental leadership must stand firm and persevere, remembering their strength is not found in their own abilities but in God's power. Ephesians 6:10-18 tells us to "put on the full armor of God so that you can take your stand against the devil's schemes." This armor is essential for our leaders in the spiritual battles they face. It is through the belt of truth, the breastplate of righteousness, and the shield of faith that they can stand firm in the face of opposition and temptation. We pray they remain steadfast in their faith, seeking God's strength and protection in all they do, knowing that the battle is ultimately His.

Our circumstances are not only physical and intellectual but spiritual as well. Leaders face pressures, opposition, and moral challenges that require divine intervention. We pray they would be clothed in the armor of God—equipped with His

truth, righteousness, peace, faith, and salvation, and fortified by the power of prayer. In moments of adversity, may they turn to God for strength, knowing He will protect and guide them. May they remember that their perseverance is not in vain, as they are fighting for what is good and just with God on their side. The full armor of God will enable them to stand firm, remain courageous, and persevere through every challenge they encounter.

Lord, we pray for our leadership at the highest levels of government, asking that You equip them with the full armor of God as they face the challenges before them in this initial transition and beyond. May they stand firm in Your truth, be protected by Your righteousness, and find peace in Your presence. Grant them the shield of faith to resist temptation and the strength to persevere in the face of adversity. Surround them with Your wisdom and guidance, and may they rely on Your power, knowing that the battle is ultimately Yours. Help them remain steadfast, courageous, and faithful in their leadership, trusting in Your provision and protection every step of the way. In Jesus' name, Amen.

BE HUMBLE BEFORE THE LORD

For President Trump and Congress to effectively lead and serve our nation, humility before the Lord is essential. Scripture reminds us in James 4:10, “Humble yourselves before the Lord, and he will lift you up.” In acknowledging their dependence on God, our leaders open themselves to His guidance, wisdom, and strength. A posture of humility allows them to lead with hearts aligned to God’s will, not seeking personal gain or recognition but desiring to fulfill His purpose for the good of the American people who elected them. When our leaders embrace this, they demonstrate a powerful trust in God’s ability to guide and sustain them rather than relying solely on their own power or understanding.

John 3:30 further underscores this need for humility: “He must become greater; I must become less.” By putting God’s purpose above their own, President Trump and Congress can set an example of servant leadership, showing that true

strength lies in surrendering to God's authority. In placing Him above personal ambition, they can lead with integrity, courage, and selflessness, reflecting a commitment to what is right and just. May they remember God grants them authority and seek to honor Him in all they do, allowing His will to direct their decisions and actions. As they humble themselves, we pray that God lifts them up, giving them the wisdom and grace to lead with compassion, integrity, and purpose.

Heavenly Father, we pray for President Trump and Congress, asking that You fill them with a spirit of humility as they lead our nation. Help them to set aside personal ambition and pride, recognizing that their authority comes from You alone. May they seek Your guidance above all else, humbling themselves before You so that Your wisdom, strength, and grace can lift them up. Remind them that true greatness lies in serving others and putting Your purpose first. Lord, lead them to become less so that You may become more in their lives and decisions. We trust in Your power to guide them as they lead with integrity, compassion, and faith. In Jesus' name, Amen.

"I call upon the citizens of this great Nation to gather together...in homes and places of worship to pray, each after his or her own manner, for unity of the hearts of all mankind."
