SUBJECT: You have changed my life forever

Your support for My Faith Votes has changed the course of my life. Let me tell you why as I reflect on all that we accomplished together in 2024. Thanks to your dedication, hard work, and financial support, over 1 million Christians received handwritten notes, almost 2 million Christians received Candidate Fact Sheets in over 3,500 churches, and another 35+ million received Candidate Fact Sheets text messages and emails encouraging them to vote biblically this election cycle.

The hero of this election was the people like you who made their voices heard and helped educate and encourage people of faith to vote! ***We partnered this year with Million Voices, led by John Graves.*** Their team provided the information on the people of faith who do not vote or rarely vote. That information was instrumental in the impact YOU made this year! The results? Absolutely incredible! Up and down the ballot in 2024, **Christian conservative values won.**

I've had the privilege of serving as **Honorary National Chairman** since 2017, and I don't know how our country could have achieved these results without you. It has been one of my greatest honors to serve this ministry. The new year marks the beginning of a new season for us!

President-elect Donald Trump, who you elected, appointed me to serve our nation as the Ambassador to Israel. I have you to thank. Your hard work and support drove the outcome of this election and has now afforded me this incredible opportunity. As a result, I can no longer serve as the Honorary National Chairman, but my passion for this ministry remains steadfast...because I know how critically important it is to continue in the work to mobilize Christian voters to influence the direction of this great nation.

I am thrilled to share some exciting news with you. **After years of strong collaboration, My Faith Votes is joining forces with Million Voices, who is led by John Graves.** John is excited to address you all early in the new year and lay out his vision for our community! Million Voices is a like-minded ministry that shares our commitment to equipping and mobilizing Christians to put their faith into action in the public square.

I interviewed John at length a few years back and was thrilled with the work he was doing serving pastors and people of faith to use their voices! I have seen first-hand the Candidate Fact Sheets that his team builds and know it makes a major impact in increasing the number of faith voters to be salt and light in America.

In my interview with John, I was amazed at the measurable increase in people of faith who will vote when they get a non-partisan voter guide. That is why we co-branded for years these Candidate Facts Sheets and partnered to education people of faith!

I believe YOU, being served by these teams, will create what will be one of the most sophisticated and effective ministries in America to activate Christian voters.

As we step into this exciting new chapter, I strongly encourage you, to remain committed with your support and involvement. Your prayers, voice, and generosity have been the lifeblood from the beginning, and your support will continue to propel us forward into the New Year.

Right now, there's still time to make your gift go even further with a special **2X MATCH opportunity!** Courageous Christian patriots like you are stepping up, but the clock is ticking, and we need everyone to come together to push us over the finish line. Together, we can ring in the New Year with renewed strength and determination.

Thank you for standing with us. Thank you for the impact you have had on my life and this nation. You make all the difference.

United. We Stand.
